

## The Herald and News

MECKLENBURG'S BIG FAIR.

It Promises to Be the Biggest and Most Successful Ever Held in North Carolina.

What promises to be the biggest and most successful Agricultural Fair and Race Meet in the history of North Carolina, will be held in Charlotte on September 30th and October 1st, 2nd and 3d. Everything will be on a big scale, in keeping with the reputation of the progressive city of Charlotte. The fair grounds, buildings and race track are well arranged and elegantly appointed and can be easily reached by a double electric car line which will land visitors at the gates. All the railroads will offer greatly reduced rates.

The fair will be kept open at night, the grounds and buildings being lighted by a system of electric lights. The exercises will close about 11 o'clock each night with a magnificent display of fireworks, following a band concert.

The exhibits in all departments will be full and complete. The largest single exhibitor will be George Vanderbilt, of the magnificent Baltimore estate, near Asheville. He will have on display his exhibit of farm and dairy products, cattle, live stock, etc., but will not compete for any of the premiums, these being left for the smaller exhibitors.

On the ground floor of the main exhibition hall will be found an electric motor, furnishing power for an interesting display of machinery, all of which will be in actual operation. For instance, one big manufacturing concern will install a complete plant for the manufacture of shirts, overalls, etc. In addition to many outside concerns, all the Charlotte machine builders and agents will be represented in this department.

The poultry show will be the largest and most interesting ever seen in the two Carolinas. It will be under the management of Mr. B. S. Davis, president of the North Carolina Poultry Association. There will be from 1,500 to 2,500 birds in the show, one breeder alone sending 250.

The exhibits of horses, cattle, hogs, sheep, etc., will be unusually large. The display of agricultural products will be the largest ever made in the State.

The entries for the horse race, both running and harness, promise to be phenomenally large. The liberal purses offered will insure the presence of a large number of high-class horses. A purse of \$300 will be offered for each harness and \$200 for each running race, with \$100 additional as a bonus for breaking the North Carolina track record, now held by Greensboro. The purses for the running races are the largest ever offered in this circuit.

There will be a large number of high class special attractions, representing the best features of a good circus. They will include the Flying Bathbuns, the most phenomenal trapeze performers known; Lutz's school of trained spaniels, introducing Dandy, a high driving dog that leap from the top of a 45 foot tower; Prof. Sigbee's trained horse Trixy, a beautiful white mare, and many other attractions. All these performances, which will be absolutely free, will take place in front of the grand stand between the race seats.

The "Midway" will be composed of attractions not before seen in North Carolina. Among them will be an electric theatre, something new and novel.

Music for the fair will be furnished by the Concord Band, composed of 20 pieces.

The Fair Association will distribute a number of valuable and useful presents among excursionists and other visitors. On Tuesday, September 30th, a \$25.00 set of harness, donated by the Shaw Harness Company, will be given away. On Wednesday, October 1st, the present will be an elegant Gas Stove donated by the 4 O's Company. A \$75.00 organ from the store of the Andrews Furniture & Music Company, will be given away on Thursday. On Friday, the last day of the Fair, a standard high-grade baggy, the wholesale price of which is \$75.00, will be given away. The High Point Baggy Company will donate this valuable present.

Ample accommodations will be provided for all visitors. Open handed hospitality will be dispensed on every hand.

"THE UNDERSSELLERS."

Work for Legislators.

[Evening Record]

The biggest proposition that the legislature will run up against next winter will be that of taxation and appropriations. Those who are familiar with the financial condition of the State, are already studying the matter, and they see breakers ahead.

The State has to borrow \$300,000 this year. Other treasurers have had to supply deficits in the receipts so as to tide the State over until taxes come in, but this time it appears that even when taxes come in the deficit cannot be wiped out. This is a serious condition of affairs and the prospect is that the next legislature will have to practice the strictest economy. Appropriations during the past year or two have been of an extraordinary character. For instance there was an appropriation of \$50,000 to the Charleston exposition. Then \$100,000 was loaned to the pensions, and as usual Winthrop came in for its annual demand far above its ordinary appropriation.

These are but few of the largest appropriations, and in them may be included final payment on the State House. This and the Charleston exposition may be eliminated from the consideration in this year's estimates but still the legislature will find itself "hard up" to meet the ordinary expenditures.

## WOMAN'S RELIEF

A really healthy woman has little pain or discomfort at the menstrual period. No woman needs to have any. Wine of Cardui will quickly relieve those smarting menstrual pains and the dragging head, back and side aches caused by falling of the womb and irregular menses.

## WINE OF CARDUI

has brought permanent relief to 1,000,000 women who suffered every month. It makes the menstrual organs strong and healthy. It is the provision made by Nature to give women relief from the terrible aches and pains which blight so many homes.

GREENWOOD, LA., Oct. 14, 1900. I have been very sick for some time. I was taken with a severe pain in my side and could not get any relief until I tried a bottle of Wine of Cardui. Before I had taken all of it I was relieved. I feel it my duty to say that you have a wonderful medicine.
